Welcome to DHC JAPAN'S NO.1 ONLINE SKINCARE COMPANY

DHC has fused its Japanese heritage and ancient beauty secrets together with the natural benefits of olive oil – the foundation of the skincare range. With a legacy of more than 30 years in Japan creating high-quality beauty products and using only the finest ingredients, DHC is here to help you achieve more luminous and radiant skin.

Made using top-quality ingredients, our skincare range is free from parabens and unnecessary fragrances and colourings, and is clinically tested for irritants in our Japanese laboratories. The result is premium-quality skincare that helps to bring harmony to any skin type.

Our famous Olive Essentials Set has been created around DHC's 4-Step skincare ceremony. The 4-Step ceremony has been widely used amongst Japanese women who believe that spending time and attention treating the skin is the secret to youth and vitality. The range comprises of four core products:

- DHC Deep Cleansing Oil
- DHC Mild Soap
- DHC Mild Lotion
- DHC Olive Virgin Oil

Did you know ... ?

DHC, which stands for 'Daigaku Honyaku Center', began as an educational translation company in Japan in 1972, and became a leading provider of educational business materials.

HISTORY OF SUCCESS

DHC started with just three very special products. It has since evolved into a dynamic health and beauty collection, with hundreds of products that are used daily and trusted by millions worldwide. Renowned for our skincare and internationally famous, DHC combines nature with the latest technologies that have set standards in the industry.

FOLLOW DHC @dhcuk_Skincare

Now that you've finally found a skincare range that works, share your secret with people you know by sending them free samples of our bestselling products. It's easy. Here's how it works.

SHARE

In every order, you'll receive a postage-paid Share & Save card. Send in the card or call us with your friends' or family members' names and addresses. We'll then send them samples of our bestselling products along with a catalogue.

SAVE

When your friend or family member makes her/his first DHC order, they just need to provide your DHC Customer Number, name and address. They'll get 10% off their first order plus 15 Rewards Points for every pound spent – triple the points of a regular order. Plus, you'll receive the total point value of your friend's or family member's order! The more the new customer spends, the more points they – and you as the referring customer – receive. Redeem points for free products or free delivery at dhcuk.co.uk.

For complete details on the DHC Share & Save and Rewards Points programs, visit dhcuk.co.uk.

- Benefits apply to first purchase only.
- Referrers must be existing DHC customers who have previously made at least one purchase.
- Referrals must be non-customers.
- Benefits do not apply to persons sharing your address.
- Qualifying purchases exclude gift certificates.
- Rewards Points are earned on product total, before taxes, delivery and 10% first-time discount are applied.

Privacy Policy

DHC UK values the trust that our customers place in us by providing us with their personal information. This privacy policy sets out how DHC UK uses and protects any information that you give DHC UK when you use our website. By using our website, you are accepting and consenting to the practices described in this Privacy Policy.

What Information We Collect

When you register and / or shop with us, we ask for your name, telephone number(s), home address, email address and, occasionally in connection with competitions, promotions, prize giveaways or newsletters, we may ask your age or the month and date of your birth. When you make a purchase on our site, we ask for your delivery address, billing address and payment method details. We may also obtain information about your usage of our website to help us improve our service to you.

We do not request that you provide any information that may be considered sensitive personal data. However, in the process of answering your questions or providing you with products and services, you may inadvertently provide us with information that may indicate your racial or ethnic origin (e.g., your skin tone) or health or medical condition (e.g., the condition of your skin). We record and use this information only to help us provide you with better customer service.

How we use your Personal Data

All of the information we collect via our website or through e-mail or telephone correspondence with you is used to fulfill your order, notify you about important changes to our website or services, and constantly improve our service. We may use service providers (i.e., credit card processors) to assist us with processing your order and, if so, we will provide them only with the information needed to perform these services. We only use service providers with privacy practices that are consistent with ours. We may, from time to time, send you information about our products, details of promotions and special offers via email or post. We give you the option not to be contacted by post or by email regarding special product information or offers. In addition to checking a box on our Checkout Page to opt-out from receiving emails, to opt-out from receiving post and/or email, you can send your request to: DHC UK Limited, Units 2–3, Sovereign Park, Laporte Way, Luton LU4 8EL or telephone Customer Service on 08000 23 24 25. Please note that you will still receive customer service–related communications from us.

On occasion, we may share your information (but never your email or phone number) with other high-quality companies that may subsequently send you information about their products and services. If you do not want us to share your information, simply write to us at: Attention: Do Not Share, DHC UK Limited, Units 2–3 Sovereign Park, Laporte Way, Luton LU4 8EL.

We also transfer your information to our corporate affiliate in the United States and may share your information with other DHC businesses located in countries outside the European Economic Area (EEA). By submitting your personal data, you agree to the transfer of your personal information to the United States and to such other DHC businesses. Whenever we transfer personal information to countries outside of the EEA, we will ensure that the information is transferred in accordance with this Privacy Policy and as permitted by the UK's Data Protection Act.

Other than set forth above, the only circumstances where we may share some of your data with others:

- Although unlikely, we may disclose your personally identifiable information if we have reason to believe that it is necessary to identify, contact or bring legal action against persons or entities who may be causing injury to you, to DHC brands or to others. We may also disclose your personally identifiable information when we believe the law requires it.
- In the unlikely event that our business assets are ever sold to or purchased by another company. (Our data records are part of our business).

How Secure Is My Information?

We work to protect the security of your information during transmission by using Secure Sockets Layer (SSL) software which encrypts information you input. We reveal only the last five digits of your credit card numbers when confirming an order. Of course, we transmit the entire credit card number to the appropriate credit card company during order processing.

We maintain physical, electronic and procedural safeguards in connection with the collection, storage and disclosure of personally identifiable customer information. Our security procedures mean that we may occasionally request proof of identity before we disclose personal information to you.

A cookie is a file stored on your computer by a website to give you a unique ID. A cookie generated by our website contains only a numeric ID that allows you to retrieve certain information on our site. For example, while on our site if you leave your shopping basket to look for other items, the cookie allows for the storage of the selected items in the basket. Cookies help us provide you with the information you need and make it easier for you to use our site.
